#### **COVID Response Update**

Katrina Harwood shared a slideshow of the representation of the work that the Health Department is involved in for the county-wide COVID-19 response. Katrina thanked Dr. Vijaya Somaraju for leading a recent Q & A session regarding the COVID-19 vaccine. Data shows a pretty significant increase in those testing positive for COVID-19. Regarding contact tracing, both the Rock County Public Health Department and the State are exceeding capacity for number of cases. The Rock County Public Health Department is looking to increase surge staff to assist with contact tracing efforts. Regarding vaccinations, there has been a growing interest in booster shots for those who have moderate to severely compromised immune systems. Booster doses for all others is currently pending FDA approval. The Environmental Health Division continues to provide support to businesses, particularly schools as many reopen this week with face-to-face instruction. To add, Environmental Health has been in continuous contact with both public and private schools over the duration of the summer months, to ensure a smooth transition back to school.

Surveillance: Katrina Harwood provided the Board members with the current COVID-19 data.

### **RCPHD Program Spotlight**

#### **Rock County's Beach and Surface Water Program**

- Beach Ordinance 6.125 + Years = A lot of data!
  - Bacteria weekly sampling May 1<sup>st</sup> to September 30<sup>th</sup> annually including one inspection
  - Grew from 3 weekly sites to 6 weekly sites
  - Added 8 monthly samples and 12 seasonal sites = 26 Rock County monitored sites
  - Winter baseline sampling includes 9 sites
- Trends Observed
  - Large rain & flooding events spike E Coli counts
  - Began winter sampling for base line E Coli levels around January 2012
  - Springbrook Creek through Carver Roehl Park has partnered with Land Conservation to troubleshoot E Coli levels
  - Algal blooms June – September annually
  - Increased use of recreational waterways in off-season (Badfish Creek)
- Badfish Creek
  - Madison Metropolitan Sewerage District (MMSD) permit renewal public comment period 2018 - 2019: Friends of Badfish Creek sent a letter and a Rock County Resolution passed supporting an increase in disinfection period. New WDNR permit requires MMSD disinfect effluent from March 1<sup>st</sup> to November 30<sup>th</sup> beginning in 3/2023, an increase of 60 days!
  - Grant-funded sampling collaboration with Friends of the Badfish Creek in 2020. 7 locations from Dane County to Rock County, including Yahara River (2 sites) on 6 dates
  - Microbial source tracking for human, ruminant, swine and waterfowl markers. Results suggest E Coli prominent source in Badfish Creek is human.
  - Success, maybe? MMSD is appealing.
- Public Notification & Education
  - Signs, press releases, & social media

## MINUTES OF BOARD OF HEALTH MEETING

September 01, 2021

- Partnerships with the City of Janesville, Town of Beloit, Rock County Parks Department, Friends of Turtle Creek, Friends of Badfish Creek
- 388 “hits” on website link after 1<sup>st</sup> 3 months after grant-funded water monitoring signs installed in 2019
- Increased calls with public requesting more follow up information
- Future Direction & Hurdles
  - Study involving multiple timed samplings over days to pinpoint decreases in bacteria as water flows downstream in Rock River and Lake Koshkonong
  - More sites sampled in Springbrook Creek through Palmer Park due to increased E Coli in recent years (contacted by Friends of Palmer Park FB Group)
  - Harmful algal blooms (HABS) human & pet safety education walking trail at Preservation Park in Beloit Township
  - Lots and lots of years of data for some student to input into a data tracking system
  - Time to dedicate to program while balancing other program responsibilities
  -

SUBMITTED BY

**Allocating American Rescue Plan Funding to HealthNet of Rock County to Address Health Inequities Exacerbated by the COVID-19 Pandemic**

1 **WHEREAS**, the COVID-19 pandemic has had a disproportionate impact on disadvantaged populations,  
2 including those who are uninsured and underinsured; and,  
3

4 **WHEREAS**, of the approximately 49,500 Rock County residents who receive BadgerCare or are  
5 uninsured, about 8,500 came to be in this position due to the COVID-19 pandemic; and  
6

7 **WHEREAS**, in the most recent County health rankings, Rock County is the lowest quartile for both  
8 health outcomes and health factors; and  
9

10 **WHEREAS**, the Rock County Public Health Department recognizes access to quality healthcare  
11 services as a social determinant of health and recognizes that established, well-known, health care  
12 providers, such as HealthNet, are key partners in improving health outcomes; and,  
13

14 **WHEREAS**, the Health Equity Alliance of Rock County (HEAR) has identified Mental Health and  
15 Access to Care as priorities for improving the health of people who reside in Rock County; and  
16

17 **WHEREAS**, HealthNet of Rock County has increased the number and level of services provided during  
18 the COVID-19 pandemic to address the increase in need in the community, including by providing  
19 vaccines at the Rock County jail and to many populations in the community; and,  
20

21 **WHEREAS**, under its contract with Rock County to provide services to those who are or could become  
22 clients of the County requiring health care, HealthNet reported that it has provided dental services to 87  
23 inmates in the jail so far this year; and  
24

25 **WHEREAS**, research has proven that dental health is important to an individual's overall health, yet is  
26 often an area that is overlooked and for which it is challenging to find funding; and  
27

28 **WHEREAS**, HealthNet would like to expand its dental services that would allow it to increase by 30 the  
29 number of inmates it serves at the jail through December 2022, in addition to serving an additional 50  
30 individuals with developmental disabilities from the community who are on Medicaid by December  
31 2023; and  
32

33 **WHEREAS**, mental health has been negatively impacted during the COVID-19 pandemic, access to  
34 treatment for substance use disorders will remain a need during the transition into recovery from the  
35 pandemic, and HealthNet would like to expand its medication-assisted treatment program to serve an  
36 additional 20 women by June 2023; and  
37

38 **WHEREAS**, providing these one-time funds is consistent with the allowable uses of ARPA and both  
39 addresses a portion of the immediate need in the community and provides a long-term investment in  
40 dental health.

Allocating American Rescue Plan Funding to HealthNet of Rock County to Address Health Inequities Exacerbated by the COVID-19 Pandemic

Page 2

NOW, THEREFORE, BE IT RESOLVED that the Rock County Board of Supervisors duly assembled this \_\_\_\_\_ day of \_\_\_\_\_, 2021, does hereby allocate \$200,000 in American Rescue Plan Act (ARPA) funding to HealthNet of Rock County in the following manner: \$176,281 to help fund the purchase of dental equipment; \$15,000 to provide dental services to developmentally disabled residents; \$5,000 to provide medication-assisted treatment to 20 women; and \$3,719 to provide dental services to 30 additional inmates at the Rock County jail.

BE IT FURTHER RESOLVED, the 2021 Rock County budget be amended as follows:

<u>ACCOUNT</u>	<u>BUDGET 10/1/2021</u>	<u>INCREASE (DECREASE)</u>	<u>AMENDED BUDGET</u>
Source of Funds			
19-1980-0000-42100			
ARPA Funding	7,515,000	\$200,000	\$7,715,000
Use of Funds			
19-1980-1601-64000			
Medical Supplies	-0-	\$176,281	\$116,281
19-1980-1601-62189			
Medical Services	-0-	\$18,719	\$18,719
19-1980-1111-62189

LEGAL NOTE:

The County Board is authorized to take this action pursuant to §§ 59.01 and 59.51, Wis. Stats. As an amendment to the adopted 2021 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to § 65.90(5)(a), Wis. Stats.

ADMINISTRATIVE NOTE:

Providing health services to low-income and disadvantaged populations that have been disproportionately impacted by the pandemic is an appropriate use of ARPA funds. Furthermore, HealthNet’s new facility is located in a Qualified Census Tract, which under ARPA provides for a broader use of funds. Using ARPA funds to support HealthNet would allow for the improvement of local public health infrastructure while allowing other County resources to be directed to other priorities.

FISCAL NOTE:

These payments will be funded by the County’s APRA allocation. No other County matching funds are required.
