Rock County Board of Supervisors Rules of Procedure 2020 - 2022

Adopted 4/21/2020., amended 5/28/2020 and 8/13/2020

RULE I

A. As provided by statute, the Board shall organize on the third Tuesday of each April and adopt rules and regulations for the ensuing term in each even year, considering recommendations of the outgoing Board. Adoption of these rules and regulations at such organizational meeting shall be by majority vote. Amendment to these rules at any other time shall be done in conformance with Rule X-C. All proposed amendments to these rules must be submitted to the Board Chair, County Clerk, or Corporation Counsel, in writing at least 48 hours prior to any meeting at which such amendment may be considered. All committees of the Board shall serve biennially for a term that coincides with that of the Chair, except as otherwise provided by statute. In no less than three days nor more than seven days after such meeting, the Chair shall announce all Committee, Commission and Board appointments as required by law and County Board policy, all of which shall be submitted for Board confirmation. Proposed appointments shall be distributed to all Board members not less than 24 hours prior to the meeting at which appointments are to be made.

B. The Chair and Vice Chair shall be elected biennially by the Board at the April organizational meeting in even numbered years. After submission of nominations for Chair and Vice Chair, but before the taking of any vote on the election of each officer, the presiding official shall allow each candidate who has put forth his or her name, the opportunity to address the Board as to his or her qualifications for, and desirability of selection to the office that he or she is seeking. Such officers shall take office upon election.

C. As provided by Statute, the Board shall hold an annual meeting on the Tuesday after the second Monday in November. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.

D. The Board shall meet regularly on the second and fourth Thursdays of each month (unless the date or time is changed by the Chair and Vice Chair of the County Board) at 6:00 P.M. in the County Board Room, County Court House, Janesville, Wisconsin.

E. There shall be at least one night meeting held in conjunction with the public hearing on the Annual County Budget.

F. Vacancies during the term of any supervisor shall be filled by the County Board Chair with confirmation by the County Board. If practicable, this shall be done within 60 working days of the date on which the vacancy was created. If a vacancy occurs within 4 months of the next election, it may be filled at the discretion of the County Board Chair.

G. While the County Board Staff Committee retains general supervision over personnel and labor relations, the County Board of Supervisors, as a whole,

RULES OF PROCEDURE—continued

RULE I (G.) Continued...

shall have specific authority to establish policy with regard to collective bargaining between Rock County and the various unions representing County employees. In order to exercise that authority, an executive session of the County Board shall be scheduled prior to collective bargaining with the unions for any given year. The purpose of such session shall be to establish wage parameters within which the County's bargaining representative(s) is expected to negotiate. Final approval of any proposed voluntary settlement must come from the County Board of Supervisors. Any meetings concerning bargaining strategy and negotiations, between the initial meeting and the meeting for final approval, shall be scheduled, as deemed necessary, by the County Board Chair.

H. In order to allow prospective candidates ample time for decision-making prior to the circulation of nomination papers, the County Board of Supervisors, after reviewing recommendations from the County Board Staff Committee, shall, not later than the last regularly-scheduled meeting in March of the appropriate even-numbered years, establish a salary schedule for each County-elected office to be elected in November of that year (other than supervisors, District Attorney and Circuit Judges) for the ensuing term. The salary so established shall be effective at the beginning of the term and remain unchanged for the duration of the term.

I.
